

# Sanitary Measures

(May 12th 2020 edition)

## Our protective measures include:

- Rules of conduct are placed in several areas within the museum halls and outside area.
- Increased cleaning intervals, regular disinfection of door handles, handrails etc.
- Hygiene stations are available at the entrance.
- Various distance marking are marked in the museum.
- Debit/credit card payment is possible at the front desk and museum shop.
- The Museum will be open from 11 a.m to 8 p.m from Tuesday to Sunday during the months of June and July.

## Restrictions & rules of conduct:

- Please follow the rules of conduct and the instructions of our staff.
- Please respect the legally prescribed minimum distance of 2 metres.
- Depending on the situation, parts of the museum may not be accessible at short notice.
- Waiting times may be longer than usual.
- The staff reserves the right to intervene in the event of non-compliance with sanitary rules

## Joker - Le bistrot du musée

### Our protective measures:

To follow proper measures of hygiene, we can only accept groups of 4 or less (except families with children)

**We thank you for your collaboration and wish you a nice visit !**
